

Frances Hodgson Burnett	<p>Frances Hodgson Burnett's classic children's novel is about orphaned Mary Lennox, who is sent to live with her uncle at Misslethwaite Manor in Yorkshire. Initially a sour, bad-tempered child, Mary begins to bloom under the influence of nature when she discovers a long-abandoned garden on the grounds of her uncle's estate. Burnett's novel is brought to life in this dramatic reading by LibriVox volunteers who lend their voices to her characters.
